5. Clarity, Grammar, Punctuation and Use of Plain Language

The treatment of ss. NR 10.01 (3) (es) and 10.27 (5) and (7) appears to expand deer hunting in Rock Island State Park. If this is the case, then par. 5. of the analysis seems misleading. The rule provisions and the analysis should be reviewed for consistency. Also, it appears that to appropriately amend s. NR 10.27 (7), the notation “~~by~~” should be inserted after the word “established” and the first occurrence of the phrase “for the December portion of” should be underscored.
